NS 8001 Section 5 - Industries Open to Switching

Note	Description
1	A. NS will only switch the following commodities: STCC 14-413-10, 32-952-32, and 37-145. B. CSXT will only switch the following commodities: STCC 14-413-10, 32-952-32, 40-211, and 37-145.
2	Access applies only to Asphalt STCC 4961604
3	Applicable only in connection with CSXT. NS will only switch outbound Non-Competitive Traffic from Erco Technologies to interchange tracks with CSXT. Non-Competitive Traffic is where the industry is located on NS, and NS does not itself or in connection with another road or roads form a route via which local or joint through rates apply, under which NS may secure a line haul between the industry and the point of origin or destination of the shipment.
4	Cinders, viz., coal, clay shale or slate; gravel; sand; and crushed stone originating at local stations served only by CSXT will be switched from interchange with CSXT at Charlotte, NC to plants if Exposaic Industries and Concrete Supply Co., North Plant at North Charlotte, NC at a charge of \$500.00 per car. Other traffic will not be switched between CSXT and these specific locations. See Item 4490 - Section 4
5	Industry located on CSXT, NS has trackage rights.
6	Industry located on NS but is served by CSXT under an operating agreement with CSXT without additional charge to shipper on Revenue Line Haul movements.
7	Industry open only to CN
8	Industry open only to CSXT.
9	Issued solely in obedience to order of three-judge court in the case of Southern Railway Company et al versus United States and ICC Civil Action 2432 and in compliance with the ICC order of August 19, 1957, in Docket 31737
10	Joint Facility - CSXT performs switching under operating agreement.
11	Jointly served by NS & CSXT
12	Jointly served by NS & NPB
13	Jointly served by NS & WE

NS 8001 Section 5 - Industries Open to Switching

Note	Description
14	Jointly served by NS, CSXT, & GC
